1. Introduction

1.1 Statement by the Governing Body

- 1.1.1 The governing body of Ysgol Cefn Meiriadog adopted this policy on 17th October 2023. This policy will be reviewed by the governing body in two years to ensure the policy is in alignment with the latest Welsh Government guidance and statutory regulations.

1.2 Introductory Statement

- 1.2.1 RSE has a positive and empowering role in learners' education and plays a vital role in supporting learners to form and maintain a range of relationships, all based on mutual trust and respect which is the foundation of RSE. These relationships are critical to the development of emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and equity empowers learners to understand themselves, take responsibility for their own decisions and behaviours, and form relationships that are fully inclusive, reflecting diversity and promoting respect.
- 1.2.2 Our RSE will support learners to develop the knowledge, skills and values to understand how relationships and sexuality shape their own lives and the lives of others. Learners will be equipped and empowered to seek support on issues relating to RSE and to advocate for themselves and others.
- 1.2.3 The school will ensure that RSE is embedded in the school's values, rights and moral framework e.g. by showing respect for all learners, staff and the wider community, by celebrating differences, building healthy relationships and inclusion of sexual diversity.

2. Aims and objectives

2.1 Aims

- 2.1.1 RSE has a positive and empowering role in learners' education and plays a vital role in supporting them to realise the four purposes as part of a whole-school approach. Helping learners to form and maintain a range of relationships, all based on mutual trust and respect, is the foundation of RSE. These relationships are critical to the

development of emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and equity empowers learners to understand themselves, take responsibility for their own decisions and behaviours, and form relationships that are fully inclusive, reflecting diversity and promoting respect.

- 2.1.2 The aim of this policy is to ensure that our school fulfils the important role it has in creating a safe and empowering environment that supports our learners' rights to enjoy fulfilling, healthy and safe relationships throughout their lives. This is critical to building a society which treats others with understanding and empathy, whatever their ethnicity, social economic background, disability, or sex, gender or sexuality.

2.2 Objectives

On adopting this policy our school will have: -

- 2.2.1 A developmentally appropriate scheme of work based on learner consultation, that is regularly evaluated and reviewed
- 2.2.2 Have confident and competent staff to deliver the scheme of work
- 2.2.3 Embedded RSE using a whole school approach into the school's ethos

3. Legal context

3.1 Welsh Government RSE Code

- 3.1.1 The Welsh Government RSE Code contains the mandatory requirements. The teaching and learning within our whole school RSE programme encompass the mandatory elements outlined within the Code. Our school has therefore planned and developed a comprehensive, inclusive, developmentally appropriate whole school teaching and learning programme for RSE which conforms with the Code. This policy details our whole school approach to RSE.

3.2 Right to Withdraw

- 3.2.1 RSE is a mandatory requirement in the Curriculum for Wales 2022 for all learners from age 3 to 16 years. It is specified within the RSE Code that there is no right to withdraw learners from any part of RSE.

6. Roles and responsibilities

6.1 Governing body

- 6.1.1 By adopting this policy, the governing body of Ysgol Cefn Meiriadog recognises its responsibility for ensuring the policy is implemented effectively, that RSE is adequately resourced, staffed and delivered using a cross-curricular approach and ensures that the school fulfils its legal obligations.

6.2 Head teacher

- 6.2.1 It is the head teachers' responsibility to implement the policy across the school and support the RSE lead.
- 6.2.2 Our school recognise that Professional learning is a key requirement for high-quality RSE. The school will facilitate that all teaching and associated members of staff receive appropriate RSE training in order to ensure our whole school RSE programme is effective, includes cross curricular elements, is developmentally appropriate and meets the needs of our learners. Staff will access support from the DCC Lead for RSE and will liaise with cluster colleagues for any further guidance or training.

6.3 Staff

- 6.3.1 Our school's RSE Lead will support all teaching and associated members of staff to access professional learning opportunities which will assist to develop their confidence, knowledge and skills in RSE.

6.4 Parents / carers

- 6.4.1 The school recognises that parents/carers are crucial to the success of the RSE programme. The school therefore provides information about what is delivered and provides opportunities for parents/carers to comment on policy and practice through updates on Seesaw, the website and newsletter where relevant. The RSE policy is available to view on the school's website.
- 6.4.2 Parents/carers are welcome to make arrangements to visit the school if they wish to view and discuss the materials and resources used in the RSE lessons.

6.5 Learners

- 6.5.1 In order to support learners to realise the four purposes within the Curriculum for Wales, learner voice is central in developing our RSE curriculum. To ensure our RSE curriculum meets the needs of our Learners we provide opportunities for them to comment on the school's RSE policy, schemes of work and lesson content by undertaking consultation activities with Years 5 and 6 every two years.
- 6.5.2 We continuously consult with our learners at the end of lessons, activities and programmes in order to ensure appropriateness of our provision and that the resources and outside agencies used are relevant, developmentally appropriate, inclusive and sensitive for learners' needs. We will act upon any recommended amendments as appropriate.

6.6 Other professionals

6.6.1 Working with specialist external agencies

In order to enhance and enrich our RSE provision, the teaching will occasionally be supported by external agencies (school nurse, NSPCC, health professionals etc)

- 6.6.2 These agencies will be carefully selected and the school will ensure that all relevant school policies are adhered to regarding visitors to schools. The school will also need to ensure that the resources used by the agencies will be developmentally appropriate for the learners. They will also be made aware that a member of the school staff will be present throughout the lesson/activity/presentation.

7 Curriculum

7.1 Curriculum Design

- 7.1.1 Our RSE curriculum will be taught through cross-curricular themes and it will be interlinked within all Areas of Learning and Experience as appropriate. This will allow learners to make connections between their learning in RSE and the wider curriculum, understanding historical, cultural, geographic, physical, political, social and technological perspectives and influences on RSE issues.
- 7.1.2 The mandatory content of the RSE Code is set within three broad and interlinked learning strands, namely:

1. Relationships and identity - this strand focuses on:

- the range of relationships that human beings have throughout their lives
- how identity can be shaped by our relationships and sexuality
- the importance of human rights in securing healthy, safe and fulfilling relationships - in an inclusive society.

2. Sexual health and well-being - this strand focuses on:

- learning about how living things grow, reproduce and have a life cycle
- developing an understanding of the human body, including people's feelings about their bodies and how these can be represented
- the health issues related to relationships and sexuality

- an understanding of how sexuality and sexual health affects our well-being.

3. Empowerment, safety and respect - this strand focuses on:

- learners' rights to safety and protection and freedom from harm and discrimination
- how and where to seek information, help and support
- how to support and advocate for the rights, fair treatment and respect of all.

7.1.3 The learning strands of teaching and learning are set in three broad developmental phases as follows:

- Phase 1: from age 3
- Phase 2: from age 7
- Phase 3: from age 11

7.1.4 Our RSE lead will communicate with all primary and secondary cluster schools to ensure effective progression from Phase one, two and three and is developmentally appropriate with all our learners.

7.1.5 The planning, teaching, evaluating and monitoring of the school's RSE programme is undertaken by teachers and the Lead RSE in our school.

7.1.6 To ensure that our whole school RSE curriculum is developmentally appropriate we consider a range of factors including learners':

- age, knowledge and maturity
- additional learning needs
- social, physical, emotional and cognitive development and needs
- needs of similar ages may differ.

7.2 RSE Provision through a whole school scheme of work

7.2.1 Our whole school RSE provision is detailed within a scheme of work document and it is available on request. This document specifies how we manage, organise and embed RSE throughout our whole school curriculum in alignment with the progression steps within the Curriculum for Wales and the phases within the RSE

Code. The resources used are selected for their suitability and are reviewed for their effectiveness following their use by teachers and the lead RSE member of staff.

7.2.2 Health and wellbeing support services for learners

Within our RSE provision learners will be informed of appropriate health and wellbeing support services and how to access them.

7.2.3 Answering learners' questions

Learners will have opportunities to ask confidential/anonymous questions when appropriate by using an anonymous question box. We view questions as a positive sign that learners are engaged with what is being taught and feel able to express natural curiosities about themselves, their bodies and relationships with others.

7.2.4 Questions will be answered sensitively and in a developmentally appropriate manner for learners.

7.2.5 Our staff will not be expected to answer all questions if they believe some to be inappropriate. They will not be expected to answer any personal questions about themselves and they will not ask learners direct personal questions that could make either party vulnerable.

8 Confidentiality and safeguarding

8.1 Safe Learning Environment

8.1.1 The school will ensure a safe learning environment for teachers, staff and learners by establishing and agreeing to the school's class agreements/rules. The class agreements are noted within the whole school mapping schemes of work document.

8.1.2 Learners will be made aware of confidentiality matters and that any safeguarding disclosures will not be kept and will be shared in accordance with our school's safeguarding procedures.

9. Information sharing and GDPR

9.1.1 The school shall at all times comply with its duties under the Data Protection Act 2018 when processing personal information in delivering RSE.

10. Equality

- 10.1 As an employer and provider of services we will not unlawfully discriminate on grounds of age, disability, gender, gender reassignment, race or ethnicity, religion or belief, sexual orientation, marriage or civil partnership, pregnancy and maternity or on the grounds of Welsh language. All learners, their parents/carers, volunteers, staff and school governors are valued and will be treated with dignity and respect. In order to make sensitive and well informed professional judgments about a learner's needs and a parent/carers capacity to respond to their child's needs, it is important that school staff are sensitive to differing family patterns, and lifestyles and to child rearing patterns that vary across different racial, ethnic and cultural groups. The school will not tolerate any form of discrimination, harassment or victimisation. We will work across our school community to ensure our commitment to equality and fairness is shared and take steps to ensure that our school is accessible, welcoming and inclusive.
- 10.2 Please refer to our current School Strategic Equality Plan for further information.

11. Complaints

- 11.1 If you have a concern, you can often resolve it quickly by talking to a teacher or Mrs Laura Martin (Headteacher). You should raise your concern as soon as you can; normally we would expect you to raise your issue within 10 school days of any incident.
- In most cases, we would expect that your concern is resolved informally. If you feel that your initial concern has not been dealt with appropriately you should put your complaint you should put your complaint in writing to the headteacher.
- if you still feel that your complaint has not been dealt with fairly, you should write, through the school's address, to the chair of governors setting out your reasons for asking the governing body's complaints committee to consider your complaint.
- 11.2 Please refer to the school complaints policy.

12. Monitoring and review

- 12.1 Mrs Laura Martin (Headteacher) and Mrs Laura Evans (RSE Lead) will be responsible for monitoring this policy.
- 12.2 This policy will be monitored on an annual basis in the Summer Term by Mrs Laura Evans (RSE Lead) in line with her monitoring of the Health and Well-being AOLE.

Monitoring will take the form of listening to learners, book scrutinies, planning monitoring and learning walks.

- 12.3 This policy will be reviewed in accordance with our school development plan. This will be every 2 years, or sooner should the need arise or if new guidance is made available.
