

Pots of Love

Let's get creative, whilst being kind to our planet, with our Pots of Love challenge. We want you to give an item a second chance at life by turning it into a pot or container that you can use again.

Your pot could be used to keep plants in, to keep your pens and pencils together, to hide your treasures, or even to hang in the garden!

You could use items like plastic bottles, cardboard, cans, or paper... look around and see what you can find and upcycle.

Whatever you make, we would like you to add a heart shape to the creation with a message for the planet.

When you have finished your pot take a picture and share it with us on social media using the **#Litterlesstogether** hashtag or email to **eco-schools@keepwalestidy.cymru**

Potiau llawn cariad

Gadewch i ni fod yn greadigol, wrth fod yn garedig â'n planed, gyda'n her Potiau llawn cariad. Rydyn ni am i chi roi ail gyfle i eitem trwy ei droi yn bot neu gynhwysydd y gallwch chi ei ddefnyddio eto.

Gellid defnyddio'ch pot i gadw planhigion i mewn, i gadw'ch pensiliau gyda'i gilydd, i guddio'ch trysorau, neu hyd yn oed i hongian yn yr ardd!

Fe allech chi ddefnyddio eitemau fel poteli plastig, cardbord, caniau, neu bapur ... edrych o gwmpas a gweld beth allwch chi ddod o hyd iddo.

Beth bynnag a wnewch, hoffem ichi ychwanegu siâp calon at y greadigaeth gyda neges ar gyfer y blaned.

Pan fyddwch wedi gorffen eich pot tynnwch lun a'i rannu gyda ni ar gyfryngau cymdeithasol gan ddefnyddio'r hashnod **#Litterlesstogether** neu e-bostiwch **eco-schools@keepwalestidy.cymru**
