

Water covers 70% of the Earth's surface.

It is vital to start save water now so that there is enough to go around in the future.

TASK: How long do you spend in the shower? Grab a stopwatch & agree with your family members to time daily showers. Who is the water waster and has the longest shower? Is there any way you can shorten your shower to save water?

And don't forget to Tweet us at [@EcoSchoolsWales](#) or tag us on Insta [@ecoschoolswales](#) with your ideas!
